

PFHT Clinic - Summer Virtual Care in Lakefield for Cottagers and Area Visitors

During the summer, some appointments at the PFHT nurse practitioner led clinic are made available to cottagers and visitors to the area.

Important Clinic Information during COVID-19 Pandemic:

Patients seeking care must book an appointment, walk-ins will NOT be accepted. The hours of the clinic could flex day to day dependent on COVID-19 precautions as well as demand. Where possible, appointments will take place virtually (either via phone or using video conference through the Ontario Telemedicine Network).

Please contact your own Primary Care Provider first. Due to the pandemic, care is mainly being provided virtually and seeing your own Primary Care Provider is best - they know you and your medical history.

Narcotic prescriptions are not available to any patients at this clinic.
