Ms. Janice Manias, Treasurer
Loon Call Lake Cottagers Association

Dear Ms. Manias,

On behalf of the board of directors, staff, clients and volunteers of Community Care, we express our sincere gratitude for the donation of \$500.00 to our Community Care – Apsley office.

Community Care is still resilient and operating during these unprecedented times, and we continue to provide critical support services such as Meals on Wheels, Transportation, Grocery delivery, Telephone Reassurance Calls, Home Help, Virtual Exercise programs, etc. We have adapted our many services and continue to monitor all phone calls for service requests.

We are seeing a loss of revenue from cancellation of fundraising events and programs we had to cancel until further notice from the Ministry. With your donation, local seniors and adults with physical challenges in Apsley can live as independently as possible in the community and in their own homes – *where they want to be.*

This past year, 174 clients in Apsley experienced a greater level of personal security because of our services delivered by Sarah McCall and 60 dedicated volunteers. Our clients frequently express their thanks and confirm the importance of the services we provide. *"My family is not next door but Community Care is. Ruth James, 102 years old."*

We truly appreciate the support of Loon Call Lake Cottagers Association. We realize there are so many good causes and requests for your assistance. Thank you for supporting our vision of *"Communities where every person's health, wellness and independence is deeply valued and fully supported."* Every gift truly does make a difference.

Sincerely,

Danielle Belair
