

Loon Call Lake Cottagers' Association Newsletter - Spring - 2022

May 17, 2022

Winter is behind us and we have had some marvelous spring days. Some of you have been to the cottage already and report that it is looking good in cottage country. We're all looking forward to a fantastic 2022, I'm sure.

Governance

We are planning an in person AGM this year, on Saturday July 2nd on the July long weekend. Won't it be nice to see so many people face to face. Details will be sent out in June.

Community

Events

We are looking forward to reviving the Regatta and Corn Roast after the pandemic hiatus. Volunteers are welcome. Please contact Jacquie Cane (jacquiecane@gmail.com) if you would like to be part of the committee to make this happen!

Another Pandemic Paddle will be held this year. This time on Sunday, July 3rd (the day after the AGM). And, again this year, food donation for the Apsley Food Bank are welcome (photos of last year's [pandemic paddle and food drive 2021](https://looncalllake.ca/life-at-the-lake/pandemic-paddle-and-food-drive-2021/) fun (<https://looncalllake.ca/life-at-the-lake/pandemic-paddle-and-food-drive-2021/>)).

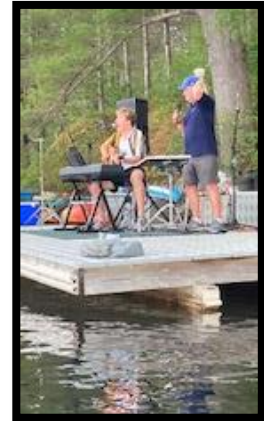

We are looking at other events, and will announce them as they are organized.

Thanks again to everyone who planned, organized and participated in last year's events. You make Loon Call Lake a wonderful place to cottage.

Cottage Association Fees

Thanks to everyone who paid their cottage association fees through these challenging years. They go toward the needs that don't stop for a pandemic, among them fundraisers for the North Kawartha community especially those needed with the loss of local grocery shopping; FOCA membership helping us to stay informed about cottage issues, invasive species, the planting palooza and shorelines health to name a few; and for the hosting fees for the web site.

It is never too early to send your 2022 fees (just \$20) to our treasurer. You can:

- direct deposit to jacquiecane@gmail.com. Please include your name and lot number in the comments on your payment
- pay your [Area Director](#); or
- pay at the AGM.

Cottager List

Do you need your cottage neighbour's contact information – email info@looncalllake.ca to find out how to get it.

Lost and Found?

Have you lost something? Found something? You can post on the [Looncall Lake Cottagers Association facebook page](#). You can also email info@looncalllake.ca and we'll post on the Loon Call Lake web site.

Have you found what you lost? Has the lost item found its owner? Let us know and we'll take the notices down.

On the Water

Fireworks

A new by-law is in effect. Please read By-Law [2021-0118](#) (Fireworks By-Law) to become familiar with the regulations. Remember, fireworks are not permitted in the park. In addition, the by-law limits when fireworks can be discharged.

Spongy Moths (previously LDD Moths/Gypsy Moths)

We did not organize spraying this year. We are hoping the cold winter temperatures helped to keep the species in check. We will find out in the coming weeks. In any case, let's hope this is the last bad year.

North Kawartha

Fines doubled: Two new community safety zones have been set up on Hwy 28 through North Kawartha Township. If you're caught speeding in either of these zones, your fines will be doubled.

Sayers Foods: Construction has begun, with the outlook that Apsley will once again have a full grocery store by January or February 2023! Great news for the community.

Waste Management: Please remember to use clear plastic bags for your garbage.

Stay Informed: Receive timely North Kawartha information by subscribing at this [site](#).

FOCA Elerts

We encourage you to [subscribe to Elerts here](#) to get informative, helpful cottage country information .

Questions? Requests? Feedback? email info@looncalllake.ca
